A former customer of
Eva House

"It'll be sad to leave Evolve because they've done so much for me, but because of the support I have had, I feel more equipped to live independently and go out and do things. Being here has given me a sense of purpose."

Evolve

Evolve is a leading homelessness charity in London, providing housing and support to over 2,000 people each year. Our aim is to help children, young people and adults who are homeless or at risk of homelessness to become independent and resilient. We believe in building on people's strengths, aspirations and goals to help them break the cycle of homelessness.

We offer a programme of support tailored to meet people's individual needs, including housing, employment and skills training, mentoring and counselling. We work with young parents and children at risk of exclusion to build the skills and resilience that can help prevent homelessness. We campaign to end street homelessness. We build affordable homes to help people move on to an independent life.
